

Masks Help Protect Everyone

We ask that all patients, visitors, staff, and others working here wear a mask that covers their mouth and nose while in our facility.

DO'S

Make sure your mask covers your nose and mouth.

Secure elastic strands around your ears.

DONT'S

Don't wear your mask below your mouth and under chin.

Don't wear your mask too loosely allowing gaps.

Don't wear your mask below your nose.

Thank you for wearing a mask for safe healthcare
