

To help keep everyone safe,

Three diverse young men in red soccer uniforms with white stripes on the sleeves are laughing and making 'L' hand gestures. They are standing on a grassy field with hills in the background.

**Because it's more  
fun playing with  
your friends.**

Regular COVID-19 testing is quick, easy, and keeps you doing the things you love. Get tested at school to help stop an outbreak before it starts and to make sure you and your friends can keep having fun together.
