

Coronavirus Disease 2019 (COVID-19)

[Stop the Spread of Germs](#)

[sound of car driving up and stopping] Help the spread of COVID-19 if you travel. [sound of suitcase wheels and airport chatter in the background] Wear a mask over your nose and mouth. [flight boarding announcement over the intercom] Stay at least 6 feet (about 2 arms' length) away from other people. [sound of running water] Wash your hands often with soap and water for at least 20 seconds. [sound of airplane engine and pilot announcement] Do not touch your eyes, nose, and mouth. Learn more about preventing COVID-19. For more information, visit www.cdc.gov/coronavirus.
