L Train may depart up to five minutes early.

Mo All trains accommodate full size bicycles. See more information on the other side in the box to the right of the northbound schedule.

Tickets purchased onboard the train on MARC weekend service are subject to a \$5.00 penalty. The only exception is New Carrollton station, which is closed on the weekend. **Cash is the only form of payment conductors accept and there is not an ATM accessible on the weekends at New Carrollton.** Passengers boarding at New Carrollton must have a ticket, cash to purchase a ticket from the Conductor, or use the MTA CharmPass to purchase tickets in order to ride.

HOLIDAY SERVICE:

There will be no MARC Train service on September 5 (Labor Day) and November 24 (Thanksgiving Day). The Penn Line will operate on the "R" schedule on October 10 (Columbus Day) and November 11 (Veterans Day). The Penn Line will operate the Saturday schedule on Friday, November 25 (day after Thanksgiving).

MARC PASSENGER CODE OF CONDUCT

- The conductor is in charge of the train. Follow his or her instructions while riding any MARC train. Please inform the conductor of any service problems you may experience or if you need assistance prior to arriving at your destination.
- Please do not stand in the aisles when seats are available. Standing is never permitted on stairs or in vestibules. Conductors will direct standing passengers to seats when available.
- Passengers must have tickets out for inspection or collection by any authorized MARC representative.
 CharmPass users must have the app open and ticket activated when Conductors enter the car to
 check tickets. When directed by the Conductor, customers must tap the screen on their mobile device
 to demonstrate the security features of the app. If the customer's device is not working—including a
 dead battery—or the customer refuses to tap the screen, the ticket is considered invalid and the
 customer must purchase a ticket from the Conductor. Tickets may be inspected more than
 once during a trip.
- For your safety, passengers must be on the proper platform prior to the train's arrival. Passengers who cross in front of, or behind the train while it is at the station will be denied boarding.
- Improper fare, improper conduct, intoxication, or offensive actions will not be tolerated. Passengers displaying any of these behaviors will not be transported, and will be asked to leave the train.
- Please listen to announcements as they are made for your safety and convenience. Not all doors open at every station. Listen for announcements regarding which doors will open.
- No seats are reserved on MARC trains and a ticket does not guarantee a seat, especially on rush hour
 trains, during special events and in the event of service disruptions. Boarding may be stopped when
 trains reach a safe capacity and customers will be required to wait for the next train. Please do not
 inconvenience others by blocking or holding seats with personal items. Please do not place your
 feet on the seats.
- On most trains, Car 1 (the first car behind the locomotive) is the Quiet Commute Car. This car is intended to have a library-like atmosphere, with no electronic devices or loud conversations. The Quiet Commute Car is to be self-regulated by passengers, not enforced by the conductor.

Tickets purchased on board at a station with a Ticket Vending Machine or ticket agent are subject to a \$5.00 penalty.

- L Train may leave 5 minutes early.
- **d** Train stops to discharge passengers only and may depart ahead of schedule. Passengers boarding at these stations should arrive at least 10 minutes early.
- **Q** Trains operate with a "Quiet Commute" car. No cell phones, electronic devices that make noise or loud conversations. We request a library-like atmosphere in the "Ouiet Commute" car. This car is adjacent to the locomotive.
- R ONLY trains designated with an R at the top of the column will operate when limited service conditions or special circumstances warrant. On days of heavy snowfall or other severe weather, MARC will operate this special schedule. Additional stops marked with an R will be made when this schedule is in effect.

HOLIDAY SERVICE:

There will be no MARC Train service on September 5 (Labor Day) and November 24 (Thanksgiving Day). The Penn Line will operate on the "R" schedule on October 10 (Columbus Day) and November 11 (Veterans Day). The Penn Line will operate the Saturday schedule on Friday, November 25 (day after Thanksgiving).

WELCOME BACK TO MARC!

Returning to MARC after not riding for a while? We're glad to have you back! Visit www.mta.maryland.gov/welcome-back-to-marc -- your one-stop resource for important information about schedule, ticketing, and policy changes that have taken place since March 2020.

BRING YOUR BIKE ON MARC!

Full-size bicycles, e-bikes, and scooters are permitted on all MARC trains on all three lines. Identify which railcar to board by looking for the green "Bicycle Entrance" decal or an illuminated green light on the outside of the car. Passengers unable to find an available bike rack must wait for the next train with bike storage.

Passengers must bring two bungee cords to secure their bicycles because not all types of rail cars have racks for bikes. MARC train equipment assignments vary day-to-day and your train may have any type of MARC rail car. Passengers are not permitted to bring their bikes on a railcar that does not have bike racks if they do not have bungee cords to secure their bike.

Other important rules to note!

- Remove all bags and unsecured items before boarding the train.
- Passengers must load and unload bikes on their own. Conductors cannot assist, including at low-level platform stations.
- Bikes must be secured in designated areas.
- Bikes must remain in the bike rack or secured with bungee cords while the train is in motion and may only be removed at your destination.

For full information and rules about bikes on MARC Train, visit www.mta.maryland.gov/bike

*AMTRAK TRACKWORK BETWEEN **EDGEWOOD AND PERRYVILLE**

Amtrak will be performing trackwork between Edgewood and Perryville through late November. Minimal delays are expected, as most work will take place at night. **IMPORTANT NOTE for** passengers who ride Train 505 (4:25am departure from **Perryville):** effective in early October, exact date to be announced, this train will temporarily not serve Perryville and Aberdeen and will originate at Edgewood. Train 505 will resume service to Perryville and Aberdeen when the trackwork is complete. The effective date for this change will be posted at www.mta.maryland.gov when Amtrak notifies MARC Train. We regret any inconvenience and we thank you for your patience while Amtrak performs this necessary maintenance.
