## 妥善冷卻食品可保護顧客健康,保住您的工作

爲維護大眾健康。 請妥善冷藏食品。

and we were able to secure exp.

Reports show that there are possibly 34 ill persons taking some shortcuts important and the presents of the beans, which led the taking some shortcuts important and the presents of the beans, which led the taking some shortcuts important and the presents of the beans, which led the taking some shortcuts in the beans which led the taking some shortcuts in the beans which led the taking some shortcuts in the cook of the cook admitted to foll taking some shortcuts in the cook admitted to foll taking some shortcuts in the cook admitted to foll taking some shortcuts in the cook admitted to foll taking some shortcuts in the cook admitted to foll taking some shortcuts in the cook admitted to foll taking some shortcuts in the cook admitted to foll taking some shortcuts in the cook admitted to foll taking some shortcuts in the cook admitted to foll taking some shortcuts in the cook admitted to foll taking some shortcuts in the cook admitted to foll taking some shortcuts in the cook admitted to foll taking some shortcuts in the cook admitted to foll taking some shortcuts in the cook admitted to foll taking some shortcuts in the cook admitted to foll taking some shortcuts are considered to the cook admitted to foll taking some shortcuts are considered to the cook admitted to foll taking some shortcuts are considered to the cook admitted to foll taking some shortcuts are considered to the cook admitted to foll taking the cook admitted to fo

The cook is truly sony for be Interviews were attempted all the pain he has caused of a

## 妥善冷藏方法包括:

- 改用較淺的金屬鍋具盛裝食物,置入冰塊中,再放入冷藏庫冷卻。 使用較小的容器分裝食物。 使用快速冷卻設備。 先將食物置於容器內,再整個放入冰水槽攪 拌冷卻。
- 其他有效方法。
