

# MARC PASSENGER CODE OF CONDUCT

- **For your safety, passengers must be on the proper platform prior to the train's arrival. Passengers who cross in front of, or behind the train while it is at the station will be denied boarding.**
- Please do not stand in the aisles when seats are available. Standing is never permitted on stairs or in vestibules. Conductors will direct standing passengers to seats when available.
- Passengers must have tickets out for inspection or collection by any authorized MARC representative. CharmPass users must have the app open and ticket activated when Conductors enter the car to check tickets. When directed by the Conductor, customers must tap the screen on their mobile device to demonstrate the security features of the app. If the customer's device is not working—including a dead battery—or the customer refuses to tap the screen, the ticket is considered invalid and the customer must purchase a ticket from the Conductor. Tickets may be inspected more than once during a trip.
- The conductor is in charge of the train. Follow his or her instructions while riding any MARC train. Please inform the conductor of any service problems you may experience or if you need assistance prior to arriving at your destination.
- Improper fare, improper conduct, intoxication, or offensive actions will not be tolerated. Passengers displaying any of these behaviors will not be transported, and will be asked to leave the train.
- Please listen to announcements as they are made for your safety and convenience. Not all doors open at every station. Listen for announcements regarding which doors will open.
- No seats are reserved on MARC trains and a ticket does not guarantee a seat, especially on rush hour trains, during special events and in the event of service disruptions. Boarding may be stopped when trains reach a safe capacity and customers will be required to wait for the next train. Please do not inconvenience others by blocking or holding seats with personal items. Please do not place your feet on the seats.
- On most trains, Car 1 (the first car behind the locomotive) is the Quiet Commute Car. This car is intended to have a library-like atmosphere, with no electronic devices or loud conversations. The Quiet Commute Car is to be self-regulated by passengers, not enforced by the conductor.

**CHECK THE FINE PRINT • This area contains special information and instructions.**

**d** Train will stop to discharge passengers only. Passengers must notify conductor upon boarding. Train may depart ahead of schedule.

**f** Flag stop at this station: trains will pick up passengers standing on platform, and visible to engineer. Trains will discharge passengers at this station if passengers have notified conductor upon boarding.

**Q** Trains operate with a "Quiet Commute" car. No cell phones, electronic devices that make noise or loud conversations. We request a library-like atmosphere in the "Quiet Commute" car. This car is adjacent to the locomotive (Car 1).

**R** ONLY trains designated with an R at the top of the column will operate when limited service conditions or special circumstances warrant. On days of heavy snowfall or other severe weather, MARC will operate this special schedule. Additional stops marked with an R will be made when this schedule is in effect.

*There will be no Camden Line service on New Year's Day, Memorial Day, Independence Day, Labor Day, Thanksgiving Day, and Christmas Day. The operational status of the Camden Line on the following holidays will be posted on the MARC website [www.mta.maryland.gov](http://www.mta.maryland.gov) no later than 30 days prior to the holiday: Martin Luther King, Jr. Day, Presidents Day, Columbus Day, Veterans Day, the day after Thanksgiving, and the week between Christmas and New Years.*

**BRING YOUR BIKE ON MARC!**

Full-size bicycles, e-bikes, and scooters are permitted on all MARC trains on all three lines. Identify which railcar to board by looking for the green "Bicycle Entrance" decal or an illuminated green light on the outside of the car. Passengers unable to find an available bike rack must wait for the next train with bike storage.

**Passengers must bring two bungee cords to secure their bicycles because not all types of rail cars have racks for bikes.** MARC train equipment assignments vary day-to-day and your train may have any type of MARC rail car. **Passengers are not permitted to bring their bikes on a railcar that does not have bike racks if they do not have bungee cords to secure their bike.**

**Other important rules to note!**

- Remove all bags and unsecured items before boarding the train.
- Passengers must load and unload bikes on their own. Conductors cannot assist, including at low-level platform stations.
- Bikes must be secured in designated areas.
- Bikes must remain in the bike rack or secured with bungee cords while the train is in motion and may only be removed at your destination.

**For full information and rules about bikes on MARC Train, visit [www.mta.maryland.gov/bike](http://www.mta.maryland.gov/bike)**

**CONNECTING TRANSIT SERVICES**
