FDA Submission Tracking Numbers (STNs): Multiple STNs, see Appendix A

Dear Dr. Ogden:

We completed review of your EX REQs¹ and determined that the new tobacco products listed in Appendix A are exempt from the requirements of Substantial Equivalence as of the date of this letter, and the new tobacco products listed in Appendix B are exempt from the requirements of Substantial Equivalence effective on March 9, 2020.²

An Exemption Request may be made only by the manufacturer of a legally marketed tobacco product for a minor modification to that tobacco product. A legally marketed product appropriate for modification can be a tobacco product FDA has previously found exempt from substantial equivalence and for which an Abbreviated Report was submitted at least 90 days prior to making such introduction or delivery for introduction into interstate commerce for commercial distribution. Although the tobacco products in Appendix B that you propose to modify are tobacco products FDA has previously found exempt from SE, FDA received your Abbreviated Reports for these products on December 10, 2019. These tobacco products cannot be legally marketed tobacco products until 90 days after submission of the Abbreviated Reports, i.e., March 9, 2020. Therefore, the new tobacco products listed in Appendix B are exempt from the requirements of Substantial Equivalence effective on March 9, 2020.

Our finding does not mean we “approved” the new products specified in Appendix A and Appendix B; therefore, you may not promote or in any way represent the new tobacco products specified in Appendices A and B, or the labeling, as being “approved” by FDA (see Section 301(tt) of the FD&C Act).

To market the new tobacco products that are the subject of these EX REQs, the following must be met:

- 1. Submit a report under section 905(j)(1) (Abbreviated Report) that includes the information required in sections 905(j)(1)(A)(ii) and 905(j)(1)(B); and**
- 2. Ninety days have passed since FDA receipt of your Abbreviated Report.**

See Appendix C for FDA’s recommended format for submitting of an Abbreviated Report.

¹ Requests for Exemption from Substantial Equivalence (EX REQs) submitted under section 905(j)(3) of the Federal Food, Drug, and Cosmetic Act (FD&C Act)

² See section 910(a)(3)(a) of the FD&C Act

In accordance with 40 CFR 1506.6, we will make your Environmental Assessment (EA) publicly available.

All regulated tobacco products, including the tobacco products specified in Appendices A and B, are subject to the requirements of the FD&C Act and its implementing regulations. It is your responsibility to ensure the tobacco products specified in Appendices A and B comply with all applicable statutory and regulatory requirements. FDA will monitor your compliance with all applicable statutes and regulations.

We encourage you to submit all regulatory correspondence electronically via the CTP Portal^{3,4} using eSubmitter.⁵ Alternatively, submissions may be mailed to:
