

APPENDIX 8: PROCEDURES FOR SAFE AND SANITARY PROCESSING AND IMPORTING OF FISH AND FISHERY PRODUCTS

This guidance represents the Food and Drug Administration's (FDA's) current thinking on this topic. It does not create or confer any rights for or on any person and does not operate to bind FDA or the public. You can use an alternative approach if the approach satisfies the requirements of the applicable statutes and regulations. If you want to discuss an alternative approach, contact the FDA staff responsible for implementing this guidance. If you cannot identify the appropriate FDA staff, call the telephone number listed on the title page of this guidance.

Due to the updated structure of the Fish and Fishery Products Hazards and Controls Guidance document and to ensure ease of access, the information from this Appendix has been permanently relocated to Addendum 1: Regulations - Fish and Fishery Products (Part 123) and Control of Communicable Diseases (Part 1240.60).
