RE: 510(M) REQUEST

Dear Ms. Rosecrans :

As per our telephone conversations today, I understand that my 510(m) request is futile since my device has not yet received a class II classification and that, to accomplish this, I must file a 510(k) application. Therefore, I wish to withdraw my application for a 510(m) exemption.

Thank you very much for your time and interest.

Yours truly,

Peter M. Rothenberg, M.D., M.A.
