Misuse of Prescription Pain Medication Public Service Announcements**

**“Misuse”
Length: 30 Seconds**

Misuse of prescription pain medication can lead to addiction, brain damage, even death. If you, or someone you know, are abusing prescription medications, call the addiction treatment 24-hour helpline at 1-800-662-HELP. That’s 1-800-662-HELP. Prescription drug misuse ruins lives. Don’t let it happen to your friends – or you.
