To Whom It May Concern:

The undersigned submits this petition under 21 CFR §10.30 to request the Commissioner of Food and Drugs to amend 21 CFR §809.10 to permit the use of symbols on the labeling required for products used for In-Vitro Diagnostic purposes or issue new regulations which would permit the use of symbols on medical device labeling.

This Citizen's Petition has been created in accordance with the format required by 21 CFR §10.30. The sections required in said regulation have been provided in appendices 1 - 4.

Should you have questions related to this petition, please contact me directly at (949) 598-1465, via facsimile at (949) 598-1555, or via the Internet at yvette_loyd@bio-rad.com.

Thank you.
