

Be the one who
**changes everything
for first time
mothers.**

Join the health district as a Public Health Nurse!

Your guidance can help vulnerable first-time mothers succeed while supporting positive change in the lives of families.

This position is responsible for home visits and enrolling clients in the Nurse Family Partnership Program. The ideal candidate will provide services to clients and their families including assessments, diagnosis, health education, support and advocacy.

Required Minimum Qualifications

- Bachelor of Science in Nursing or active plan to obtain one.
- Two (2) years of desired public health nursing experience.
- RN License from the State of Washington.
- Valid driver's license and current automobile insurance.

Hours

Full-time, 40 hours

Position Title

Public Health Nurse 2
